

Please find below the 'Activity Report' of **AOTS Alumni Association, Karnataka Regional Center, Bengaluru** between "July 2019 to December 2020":-

1. AOTSAA organised training program on '**Toyota Production Systems**' under WNF, organised between 16th to 18th December 2019 at Hotel Parijatha Gateway, Bengaluru, including one day visit to Toyota Group plant at Bidadi on 18th December 2019.

The faculty member was Mr. Tej Kumar, a plastic professional in the area of automobiles Plastics and LED at Toyota Gosei South India Ltd. & other guest faculties from Toyota Gosei Company. The number of participants who registered for this training were 35 & it was successfully completed with the organized efforts of all the EC members.

2. **Japanese Language classes** was started at 'Vemana College of Engineering', Koramangala for the final year students. The 1st batch of language classes was inaugurated by the Chief Guest - Katsumasa Maruo San, Deputy Consul General on 4th November 2019. With the cooperation of the college management, Lakshmi Narayana San, Japanese language teacher had conducted 15 classes successfully by the end of February 2020, after which the classes had to be paused due to COVID situation. 15 students attended the language classes at the college campus between November 2019 to February 2020.

3. Under the sponsorship of FAAAI, AOTSAA, Karnataka Regional Center jointly with ABK-AOTS Dosokai, Chennai, AOTS Alumni Society- New Delhi & AOTS Alumni Society of Central India-Pune organised the 4th National Convention on Innovative QC Teams **NCIQCT -2020** on 23rd February 2020 at Hotel Taj Vivanta, Yeshwanthpur, Bengaluru. It was a full-day program held between 9am to 5pm, with back to back presentations by different QC teams on the best Japanese management practices. The experienced judges in these fields evaluated the team presentation, followed by recognition & Platinum, Gold, Silver & Bronze awards to the deserving teams. It was much appreciated by one & all, expressing their eagerness for the next forthcoming convention.

4. A one-day inter-alumuni training program on '**Japanese Practices for Manufacturing Excellence**' was organized on 30th September 2020 at AOTSAA, Karnataka Regional Center, Bengaluru in association with FAAAI & ABK- AOTS Dosokai, Chennai. The faculty - Mr. B. Palaniappan - Director (Quality & Productivity Initiatives), ABK-AOTS Dosokai, Tamil Nadu centre, Chennai gave an excellent presentation to the participants at the Seminar hall of our Center. Though it was a short session due to the COVID restrictions, the training program proceeded smoothly with the interactive & thought provoking session.

Wishing all a very very Happy, Healthy & Prosperous New Year 2021 in advance.

Thanks & regards,

Shilpa A.T.
